

# Count On Four in a Row

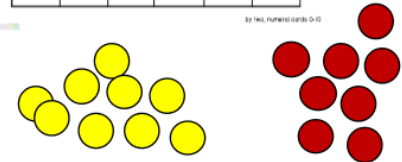

# Count On - Four in a Row Game I

## Materials:

- Counters - two different colors
- Gameboard
- Numeral cards 1 - 10
- Dry erase board and a marker OR math journal and pencil

Count On Four in a Row ©2013

2	●	8	6	5	3
3	6	12	10	7	●
9	7	2	11	4	●
10	5	3	8	6	5
4	9	12	7	11	8

## Directions:

- 1) Shuffle the numeral cards and place them facedown.
- 2) Player 1 picks the top card and counts on 2 more than the number picked. Player 1 covers this number on the gameboard with a counter.
- 3) Player 1 says, "Two more than \_\_\_\_\_ is \_\_\_\_\_."
- 4) Player 1 writes the equation and reads it aloud.
- 5) Take turns until one player has placed four counters in a row on the board.
