

# Making Rectangles

Adapted from Howard County

# Making Rectangles

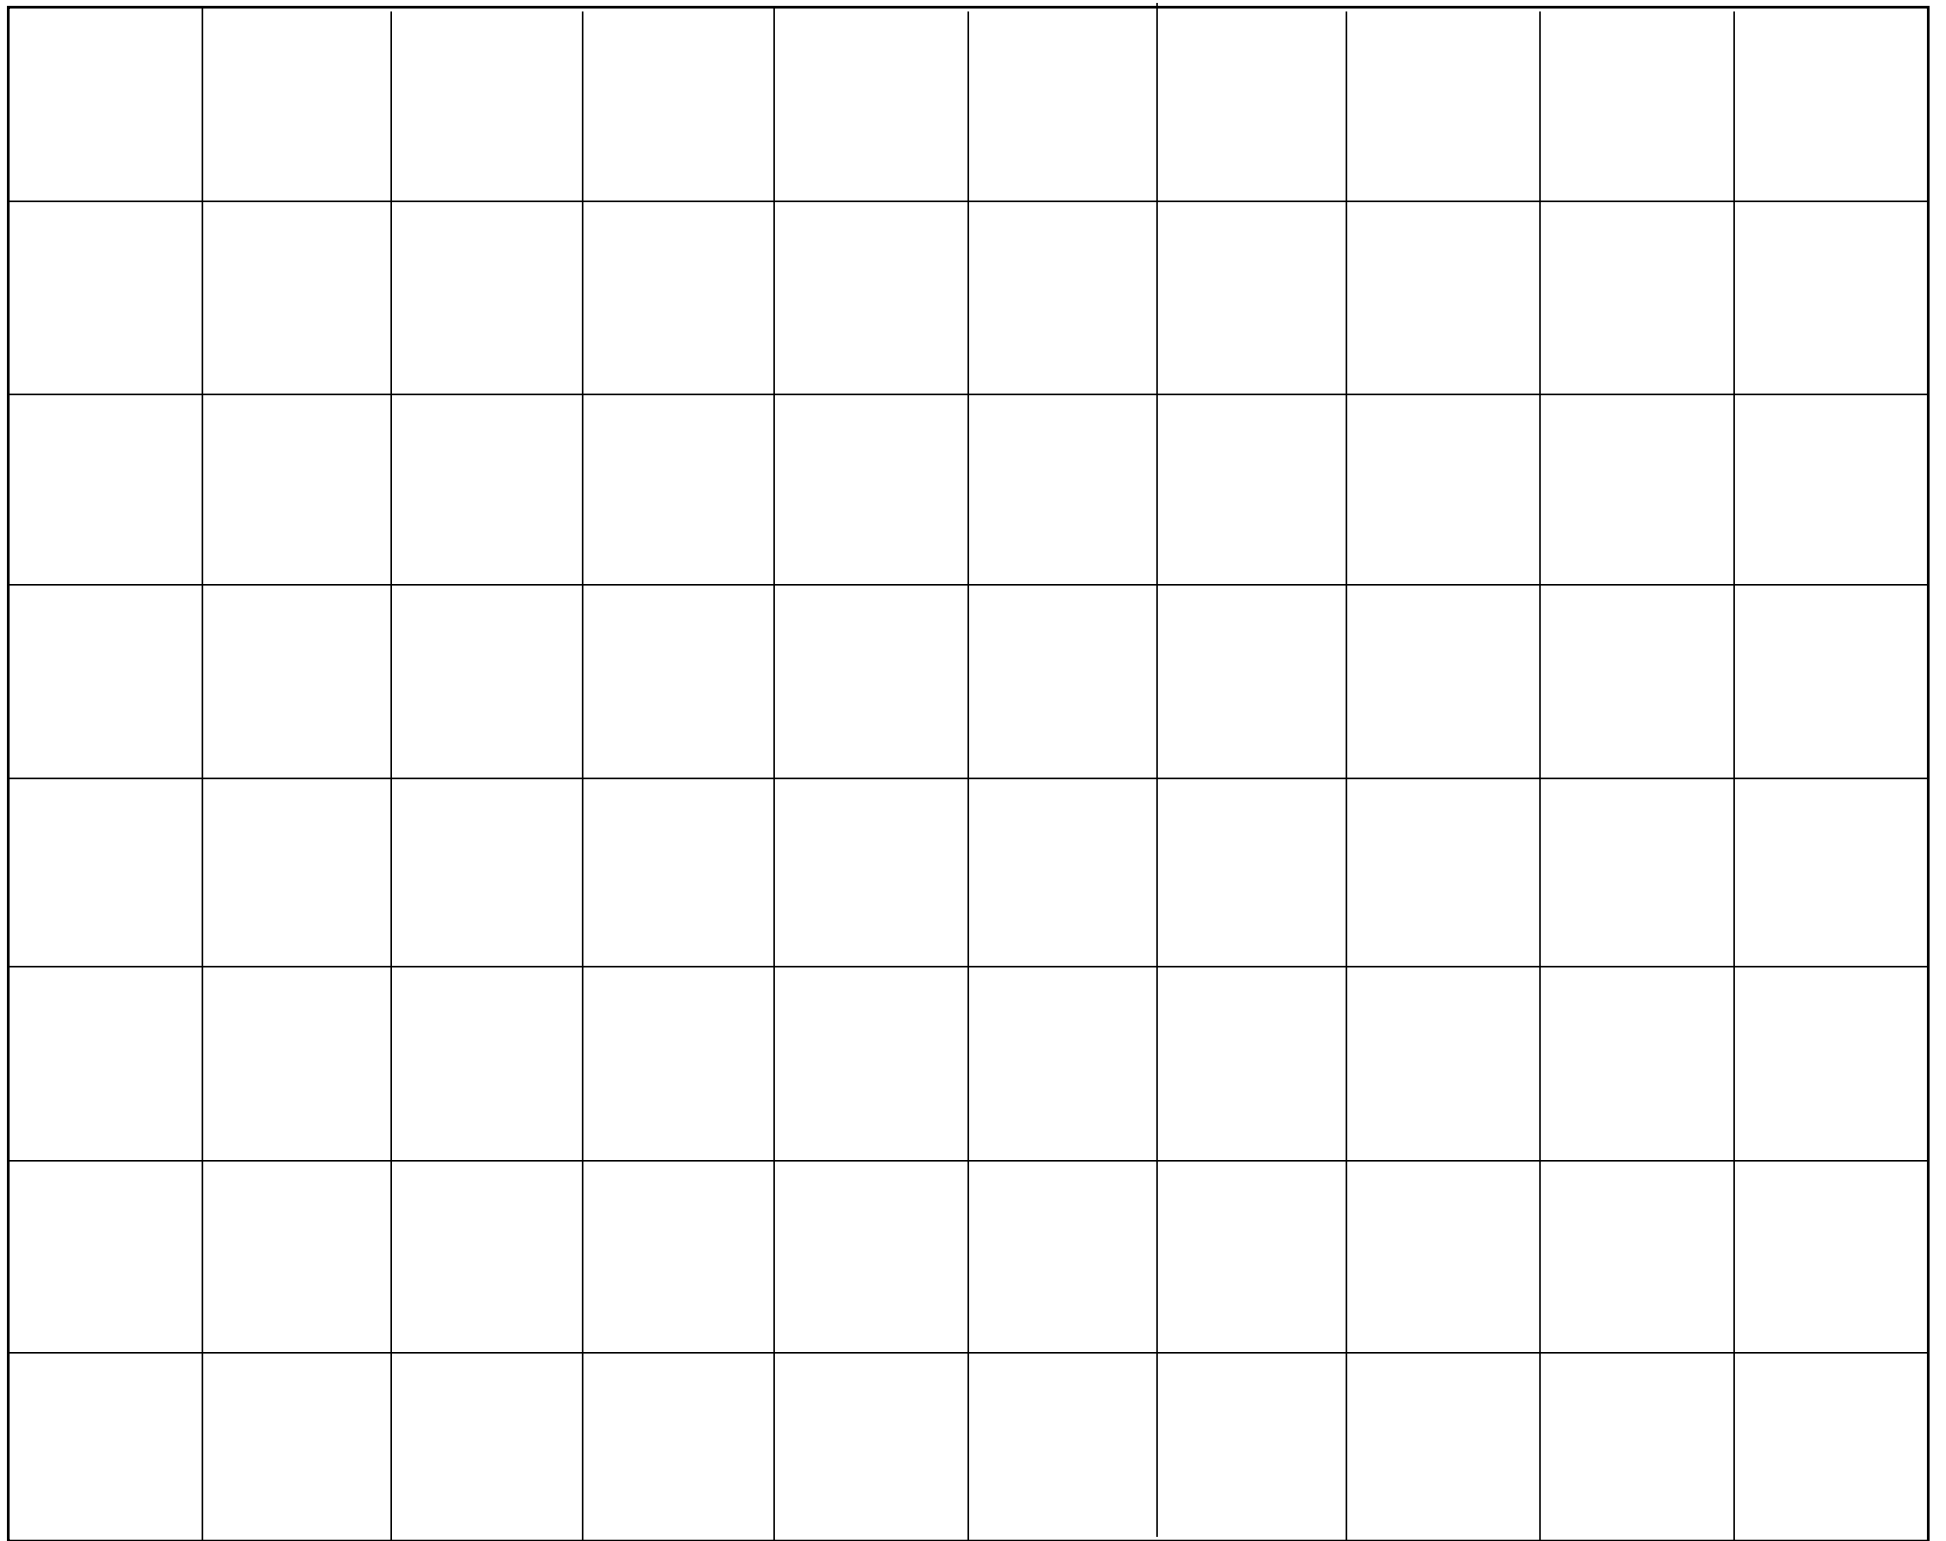

## Materials:

- Colored square tiles
- Grid paper
- Rectangle recording sheet

## Directions:

- 1) Gather 12 colored square tiles.
- 2) Use the 12 tiles to create as many different rectangles as you can.
- 3) Record each rectangle you create on the grid paper.
- 4) Use your rectangles to complete the chart.
