

Polygon Bar Graph With Tangrams

Adapted from Howard County

Polygon Bar Graph

Materials:

- Tangrams
- Graph paper
- Colored pencils or crayons

Directions:

- 1) Grab a handful of tangrams and sort them based on their color, shape, or number of sides.
- 2) Create a bar graph to display the data you collected.
- 3) Write three questions based on your bar graph.
- 4) Ask a partner to answer your questions.

Name _____ Date _____

Polygon Bar Graph - Recording Sheet

Write three questions based on your bar graph. Ask a friend to solve them.

1. _____

2. _____

3. _____
